CHAD

The Virgin Quirk vs. The Chad Stand
Isn't even named after something cool
80% of the population has them
Most are useless or even harmful to the user
Uninteresting power system
Main character can break his own limbs
Gained by randomness, and are not a true representation of a person
Stole the idea from JoJo and made it worse
Hetrosexual but questioning
Named after what Araki was listening to at the time
Personification of your fighting spirit
Only gained by Chads who survived a death virus or an arrow through the chest
Inspired hundreds of dumb animes with it's Chad power system
Extremely homosexual and proud
Main characters have the most intresting and useful stands
Always useful and intresting
